

2018 Official Ballot

As a co-op owner, it is your right and responsibility to vote on bylaw amendments and to elect representatives to serve on the Co-op's Board of Directors. This year, we have seven bylaw amendments, and five candidates running for the five open seats on the board. Even in noncompetitive years, voting in the annual Board of Directors election is one of your most immediate ways to have a voice in the store that you own. Voting is an opportunity to learn about the candidates and to inform the Board of the issues and representation that matter to you. Participation in the voting process is a tangible reminder that the Medford Food Co-op is more than just a great place to shop – it's your great place to shop.

I vote to approve the following bylaw amendments:

- Section 2.1 - Admission
Section 3.6 - Quorum and voting
Section 3.7 - Balloting by mail
Section 4.2 - Number and qualifications
Section 5.5 - Decision making
Section 7.4 - Redemption
Section 8.1 - Distribution of net savings

Please put a checkmark next to each bylaw amendment that you approve.

I elect the following five candidates to serve on the Medford Food Co-op Board of Directors:

- Fran Batzer
Debi Boen
Patty Casebolt
Roger Noyes
Verne Underwood

Please put a checkmark next to each candidate that you approve.
